PROFILE

As an **IT professional** with 3+ years of experience, I have had the opportunity to work with multiple companies, ranging from established enterprises to innovative start-ups, where I have played a significant role in **designing web applications**.

My expertise lies in **React**, **TypeScript**, and **Node.js/NestJS**, enabling me to create robust and efficient solutions. I am passionate about using my knowledge to make a positive impact and contribute to projects that have a meaningful influence on the world.

TECHNICAL SKILLS

React - React Native - Typescript - Jest - Mocha - Cypress - Git - MySQL - MongoDB - Node.js - NestJS
